NARRATIVE:

Perez is a documented member of the "18th Street" gang. He has an extensive criminal history that began at the age of 18. He has been convicted of battery with injury, shooting with a firearm, assault, several robberies with a firearm, vehicle theft, and several possessions of controlled substance. He was released most recently from state prison to the supervision of the Los Angeles County Probation Department on April 02, 2012 after serving a four (4) year term for battery on a peace officer. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2013 after Perez absconded from post release community supervision (PRCS). Perez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for battery on a peace officer is defined as non-serious and non-violent under the California penal code. His prior history, status as an active gang member and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
